

eGlobal Experiences Strong Growth; Among 100 Fastest Growing Utah Companies

Ranked No. 20 in Utah 100

SALT LAKE CITY, Oct. 21, 2010—Mountain West Capital Network (MWCN) [ranked](#) today **eGlobal**, a **Grant Victor** company, No. 20 of the 100 fastest growing companies in Utah at the 16th annual Utah 100 Awards Program. The recognition crowns a year of recognition for the company.

“The growth and success we’ve experience is due to our great people and the hard work and professionalism they constantly display with our customers,” said Jeff Matthews, President of eGlobal. “It is an honor for us to be among the fastest growing companies in Utah.”

The Utah 100 rankings are determined from thousands of eligible companies throughout the state representing all industries. The rankings are determined by the percentage of revenue increase from 2005 through 2009.

In 2010 eGlobal was also recognized in the following areas:

- eGlobal was ranked 17th in the Utah Business magazine’s Utah Fast 50.
- eGlobal was ranked No. 1060 in the 2010 Inc. 5000

eGlobal is one of the largest ATM operators in the U.S.
